1. Définir l'objet disparu (*forme, couleur, taille, matière, ...*), lui inventer un nom à consonance anglaise, et l'écrire après "Nom de l'objet".
2. En consultant les images des galeries de BDnF et le document "Monuments, cities and countries" (*attention, certains noms sont précédés de "The"*), imaginer une histoire mettant en scène une fille et un garçon qui partent à la recherche de l'objet disparu, en respectant la trame proposée.
3. En se référant au document "Images des galeries de BDnF", écrire les codes des images pour chaque élément :
Arrière-plan – Images supplémentaire (*facultatif*) – Personnage – Bulle.
4. En s'aidant des informations de la colonne de droite, compléter les textes de la colonne de gauche.
